**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Being retired and on a fixed income any price hike would be unfair as the world uses the Internet for every part of communication. Today's informed user collects information from all sources and is able to use this knowledge to make it a better world. It would be a shame that an on line education would have to be stopped because the cost of education became unmanageable.
